Subject RE: Protego Work

To be honest, it just isn't cost effective for us to get someone up and running on our systems if they are not going to be doing new work for us. Given this, I think it is best to transfer the work to another firm. please send all protego-related patent filed to:

Chris Palermo
Hickman Palermo Truong & Becker
2055 gateway place suite 550
san jose, CA 95110-1089
phone 408.414.1080
fax 408.414.1076
cpalermo@hptb-law.com

Please send the unfiled application to Chris and he can follow up with the inventors to get signatures and file the application. Please send the bill for final costs to me. Please note that we pay reasonable costs for the transfer of files, but do not pay for copying.

I would appreciate it if you would transfer the files by the COB next Friday, April 15.
Thanks.
